### Versatile LEGENDS: FASHION EXPERT HARITH SKIN TO BE DISTRIBUTED FOR FREE

Versatile Legends: Bang players ought to prepare for a treat as the yearly 515 eparty occasion is close to the corner. The engineers grants its fanbase with a few free things like skins and advocate which typically require a heavy measure of precious stones. Moonton has declared that this time, the Fashion Expert Harith skin will be accessible for nothing during this occasion.

The engineers posted a skin see on their YouTube channel which shows Harith wearing advanced outfit. His ability unit has been improved also. It will accommodate his outfit and arcade style interactivity with this new skin.

### MLBB 515 EVENT DETAILS

The most effective method to get the skin free of charge during the 515 Eparty occasion

The Party Box occasion goes under the 515 eparty in MLBB. Players need to finish a few assignments from fifteenth to seventeenth May to procure 515 Racecar tokens. These tokens will be utilized to recover Twilight tickets. There are two sorts of sundown

The typical Twilight Ticket could be gotten by finishing these assignments and trading the 515 Racecars. At the point when the ordinary nightfall ticket is utilized interestingly, players will get an ensured Elite level skin. Players can likewise acquire more skins by making five draws simultaneously.

A high level Twilight Ticket will likewise be available in this occasion. Players who wish to go through their cash can purchase these tickets by utilizing precious stones. They can utilize these passes to open an Epic level skin. An ensured skin will be granted if five draws are made on the double.

This occasion will be live from eleventh May to twentieth May and players can take part in it to get free rewards. Try to login to the game and complete straightforward errands to procure a free skin through this occasion.

More insights regarding Fashion Expert Harith are yet to be uncovered however it has been referenced that players will get it free of charge. There is likewise a likelihood that this skin will be remembered for the headliner where players should trade tokens for opening this skin. Map Hack

One of the most common cheats in Mobile Legends is Map Hack. Map Hack gives you unlimited vision without using vision-giving skills like Selena's 1st Skill or Aldous' Ultimate Skill. Using the advantage of knowing where everyone is in the map, the cheater can avoid ganks, know where the enemy is hiding and know if they're getting objectives (Turrets,

Lord and Turtle) while also utilizing the advantage of making ambushes out of nowhere, making enemies very confused on how they knew their positions despite they didn't use vision giving skills or there are no enemy Minions

## 2. Lag Hack

Lag Hack, as the name says, makes the match very laggy, only the cheater/s themselves are the ones not affected by the lag and can move very smoothly, it's even more dangerous if executed by a squad. When you entered a match against a squad of this cheaters, the match will suddenly be laggy, then the ping will soon be red then yellow then red and the pattern starts again, only a few green pings will appear but later, the lag appears again. It's only in the late game phase that the lag subsided but the cheaters are very well fed and managed to take alot of objectives.

## 4. One Shot kill

One Shot kill cheat is one of the earliest cheats developed in the history of Mobile Legends, it requires Parallel Space and Game Guardian to work, but Game Guardian is banned by ML because it lets you modify the configurations of the app and add scripts.

## 5. Crash then Disconnect hack

This cheat is one of the mysterious cheats known in ML, because not many knew this cheat. The cheat functions that while loading, the game will suddenly crash and the match won't let you reconnect, making the system believe that you are AFK, reducing your Credit Score greatly.

## 6. Drone View

Drone View greatly augments the height of your camera, giving you the ability to perform very accurate skill casts, examples of heroes that needs

ne View is coupled with Map Hack, the cheater becomes very dangerous because not only they can perform accurate skill casts but also they have unlimited vision, making ganks more dangerous than before

## 7. Diamond Hack

Diamond Hack, generates unlimited amounts of diamonds, hence the name. However, the cheat actually doesn't work, the effects are either, they're just tampered visually, meaning you are the only one who can see it, you can't also buy skins or other stuffs that costs diamonds because in reality, they're just like scripts that tampers the diamonds you own visually.

## 8. Play against Bots in Classic Cheat

This cheat, like the Crash them Disconnect Hack, is a very mysterious cheat because there's only one known player that managed to find a way how this cheat works. This cheater's IGN is JessNoLimit, but it's not the JessNoLimit that we know, it's an impostor that abuses this cheat to climb Top Global Victory matches. Demonal made a video about this cheat in here.

## History

No one really knows what's the first cheat developed in the history of MLBB but during 2017, numerous cheats are created, one of the earliest cheats is One Shot Kill cheat but it only works on Custom Mode.
